School-Based Charges

As well as tuition fees there are additional school-based charges of approximately \$1,500 (admin, sports, excursions, subject fees, technology etc). *Please note that excursion fees vary between each year group.*

Building Levy

The College has a Building Contribution Fund to which each family contributes \$562 per year. This levy is used to help pay for the loans taken out by Sydney Catholic Schools to cover building works, repairs and maintenance in school buildings.

Accounts

Accounts are emailed or posted to families throughout the year. These accounts can be paid in a variety of ways including BPAY, Direct Debit, Centrepay and Standing Authority (by Credit Card). These payments can be paid weekly, fortnightly, monthly, per term or annually.

The College is a non-profit organisation where expenses are shared by all parents. Therefore, all families are expected to pay fees. Confidential concessions may be arranged with the Principal if parents are experiencing financial difficulties.

Applications for financial support from the Catholic Education Foundation are available to families who are seeking to enrol their child. Indigenous students are eligible to apply for an Indigenous bursary.
